GolfGeist

A male golfer is captured in the middle of a golf swing. He is wearing a white Under Armour baseball cap, dark sunglasses, and a black short-sleeved polo shirt. He is holding a golf club, and his right arm is extended upwards. The background is a blurred green field, suggesting a golf course. The overall tone is professional and athletic.

Vår ambition är att året runt lagerhålla hela vårt breda sortiment som du hittar i denna katalog. Det innebär för dig som kund att du inte behöver binda upp för mycket pengar i eget lager. Vi skickar alltid din order samma dag som vi får den, förutsatt att den är oss tillhanda före 13.00. Således har du dina varor dagen efter order oavsett om det är en påse peggat eller en pall med vagnar.

Vi skickar allting med PostNord/DHL oavsett om det är pall eller paket. Det borgar för snabba och precisa leveranser. Om du handlar för över 10.000 kr exkl moms så bjuder vi på frakten. På mindre leveranser debiterar vi självkostnadspris.

Vi tar ansvar för eventuella produktfel och ersätter med ny vara alternativt kreditfaktura så snabbt som möjligt.

Då vi själva importerar stora delar av vårt sortiment, erbjuder vi väldigt attraktiva marginaler. I kombination med att vi lagerhåller hela sortimentet åt dig samt att vi levererar på dagen blir det väldigt lönsamt för dig att jobba med oss.

Vi har jobbat med att importera golf i över 30 år och har således långa relationer med våra leverantörer. Vi har under den tiden skaffat oss kunskap om vilka fabriker som klarar av att producera produkter med kvalitet till rätt pris.

EASY AS 1, 2, 3

Available on all Motocaddy trolleys and bags, the exclusive EASILOCK® system locks the bag onto the trolley and removes the need for a lower bag support strap.

Two holes on the trolley's lower bag support align with two removable pins on the base of the bag; ensuring golfers can secure their bag easier and quicker than ever before.

TriLite

Svart, Grå, Vit

En trehjuling som tillverkas på samma fabrik som succévagnen Flip'n Go vilket borgar för hög kvalitet. Flygplansaluminium i rörkonstruktionen samt pulverlack för lång hållbarhet.

Precis som namnet antyder är den väldigt lätt. Den fälls ihop med samma mekanik som fyrehjulingen vilket gör att den tar väldigt liten plats i bagagen på bilen.

Rejält med utrymme inuti scorekortshållaren som med enkelhet rymmer det mesta man vill ha lättåtkomligt på sin golfgrunda.

303 STAINLESS STEEL

Each BB Series putter is one-piece milled from 303 Stainless Steel, which is the same blend of material preferred by Bettinardi Tour staffers around the globe. This metal offers a more durable, responsive, and solid-feeling putter for supreme performance.

PERPETUAL FLYMILL FACE MILLING

Redefining precision putting, our Perpetual Flymill Face Milling technology is now enhanced by sonic precision. This innovative technology provides a consistent roll, ensuring that your putts start true and on target. Each stroke produces a distinctive tone, providing instant feedback to the player.

BLACK PEARL PVD FINISH

The deep, luxurious black hue of Black Pearl PVD not only exudes sophistication but also adds an extra layer of confidence upon address. Beyond its striking appearance, the PVD coating is highly resistant to wear, scratches, and corrosion.

PREMIUM COMPONENTS

Each BB Series putter comes paired with a Black PVD Tour Grade shaft, custom electric blue Lamkin Grip, and dual-constructed leather and carbon fiber BB Series magnetic headcover.

JoBeLi Range Tee

JoBeLi Range Tee är en flexibel pegg speciellt anpassad för driving range-mattor. Med ett enkelt handgrepp trycker du fast peggen i mattans spår och där sitter den kvar hela träningspasset till skillnad från en vanlig träpegg som antingen flyger iväg eller går av.

JoBeLi Range Tee går alltid tillbaka till utgångsläget. Den går lätt att klippa av i den höjd som passar dig bäst.

PinFinder 700S

Vår storsäljare lever vidare med uppdaterad mjukvara. Ergonomiskt design som ger stabilitet vid mätning. Kikaren har både "PinSeeker" funktion med vibration och "Scan" funktion så att den passar alla typer av spelare. Slope kompensation som tar höjdskillnader i beaktning, en funktion som givetvis går att stänga av vid tävling. Den mäter upp till 700 m och tar flaggan på 300 m med en meters felmarginal. 6 x zoom. Vikt 143gr. Batteri, rengöringsduk och ett lyxigt hard case ingår.

PinFinder Tri1000

I den nya mjukvaran har vi lagt till triangulering. Designen är noggrant framtagen för att produkten skall ligga perfekt i handen. Kikaren mäter hela 1000 meter. Du träffar lätt pinnen upp till 280 meter +/- 0,2%. Vikt 180 gram. 6 x zoom, vattentät IPX4, laddbart batteri som tar ca 7000 skott.

Vad är triangulering?

Triangulering innebär att du kan mäta avståndet mellan 2 punkter utan att fysiskt befinna dig vid utgångspunkten. Exempelvis befinner du dig vid din boll och din spelpartner ropar till dig - hur långt har jag kvar? Du skjuter då först på din spelpartner sedan på flaggan. Då får du fram avståndet från din spelpartner till pinnen.

PinFinder Mini

Pinfinder Mini är den minsta kikaren på marknaden, med ett mått på 88 x 54 x 31mm och en vikt på 121 g. Mäter upp till 1000 m och flaggan på 300 m, med en avvikelse på +/- 0.5 m. Pinseeker, vibration och SLOPE med on/off knapp. Inbyggd magnet som gör att den kan fästas mot stål. Regntät IPX4. Reaktion på 0.2 sekunder, där användaren verkligen upplever den som riktigt snabb. 6X förstoring och en tydlig LCD display. Laddbart batteri som tar ca 7000 skott. Hardcase ingår.

Patented P2 Technology

The patented P2 technology is based on the way the shaft is housed through the bottom of the grip. This effectively elevates the golfer's hands at address, locks the wrists in place and creates sought after shaft-forearm symmetry.

- More putts start on your intended target line.
- More putts are struck closer to the sweet spot.
- Drastically improves distance control calibration.
- Less club face wavering during your putting stroke.
- Reduced hook/slice spin imparted on your golf ball.
